First Impressions

What made you keep reading — or want to stop?

When was the first time you felt like putting it down?

Characters

Which character felt most real to you? Which felt least real?

Did you care about the protagonist? Why or why not?

Were the main character's goals and motivations clear?

Plot & Pacing

Did the plot make sense? Did anything feel unresolved?

Were there parts that dragged, or moved too fast?

Did the ending feel earned, rushed, or drawn out?

Confusion & Plot Holes

Anything that confused you or didn't add up (inconsistencies in time, place, or character details)?

Emotional Response

Where did you feel the most (laughed, teared up, tension)? Anywhere you felt nothing you think you should have?

Overall

One thing you loved, and one thing you'd change?
