WRITE TOGETHER HUB

Character Profile Template

Build a character readers believe — inside and out.

The Basics

Name

Role in the story

Age

Occupation

In one line, who are they?

Physical Appearance

Build, features, style of dress, distinguishing marks, and how they carry themselves.

Backstory

Where they come from and the key events that shaped who they are today.

Psychology & Motivation

Core want (external goal)

Core need (what they truly need)

Greatest fear

The wound (a formative past hurt)

The lie they believe about themselves

The truth they must learn

Voice & Speech Patterns

Vocabulary, rhythm, verbal tics, catchphrases — and what they never say out loud.

Relationships

Name	Relationship	Dynamic / tension

Development Arc

Starting state (Act 1)

Catalyst for change

Turning point

Ending state (who they become)

Notes & Details

Habits, quirks, objects, secrets — anything that makes them specific.
